

LABORATORY REPORT OF ANALYSIS

Date: 06/26/98

Client ID: Atlanta Testing & Engineering

Attn: Tom Donn

Project Name / ID: DMH # 1927

Project Submission #: 9806001048

Thank you for choosing Access Analytical, Inc. as your source for quality laboratory services. Access Analytical, working in a unique, cooperative arrangement with Precision Environmental Laboratories strives to provide unparalleled service and support regarding your sample analysis requirements. Access Analytical provides technical expertise, project management skills, customer support and local services while Precision Environmental provides timely, accurate test results. Please take a moment to review the following laboratory report, directing any questions or comments you may have to your local Access Analytical project manager at (803) 781-4243 or toll free at (888) 315-4243.

Sincerely,

Principal

Access Analytical, Inc.

* - All analytical data included in this report of analysis supplied by Precision Environmental Laboratories (SCDHEC Certification # 96023) unless otherwise noted.
